

Per Capita Income by County, 2013

Below are listed data for 2013 for total personal income and per capita income by county. Total income is reported in millions of dollars. The middle column indicates the percent of change in total personal income from 2012 to 2013.

In the far right column is the county's rank in the

state for per capita income. Midland County is first with \$87,897. The lowest per capita income is in Starr County, along the Rio Grande, at \$20,811.
