

# Boys High School Basketball Champions

The University Interscholastic League basketball championships began in 1921 when El Paso High School, coached by Luther Coblenz, won over the Brackenridge team from San Antonio.

The Prairie View Interscholastic League began basketball championships in 1940 when Houston Yates defeated Houston Wheatley. The PVIL began to merge with the UIL at the start of the 1967-68 school year and disbanded at the end of the 1969-70 school year.

Currently, the UIL has divisions determined by the school size from 1A to 6A.

In 2007, Dallas South Oak Cliff players celebrate their championship victory over Beaumont Ozen in AAAA competition. Photo by Bob Pearson.

Following are the champions by UIL division, along with the runner up, and the points scored by each team in the championship game. Included in years 1940-70 are the teams competing in the Prairie View Interscholastic League (PVIL, first called the Interscholastic League of Colored Schools). (OT refers to overtime.)
